DURING PROMOTION

One client representative must supervise the event and is responsible for the contestants understanding of the terms and conditions of this promotion.

No practice spins, spins for fun, or spins for other contestants are allowed.

The promotion must be conducted as follows:

Press the "Touch to Start" button located on the menu screen to initiate a contestant's play.

When indicated by the video display, instruct the contestant to spin the Virtual Wheel by swiping down on the touchscreen and allow it to come to a complete stop with the indicator arrow pointing to a labeled section on the screen. NOTE: the game software will determine the official dollar amount recorded for each spin, not necessarily the indicator arrow and graphics (see B-8 below).

Repeat the previous step until the contestant has spun the wheel Three (3) times and the video display of the Prize Wheel announces the prize won by that contestant.

In order to qualify for prize reimbursement, an eligible contestant must spin the wheel Three (3) times and successfully record a dollar amount total of exactly \$750.

NOTE: Any additional spins after Three (3) dollar amount symbols per contestant have been recorded will cause a claim to be denied.

IMPORTANT: CLIENT MUST VIDEOTAPE THE ENTIRE PROMOTION ACTIVITY. It is imperative that the individual operating the video camera films:

The random selection of the contestant. THEN, WITHOUT PAUSING OR TURNING THE CAMERA OFF:

The contestant as he/she approaches and prepares to spin the Prize Wheel.

The contestant's spins of the Prize Wheel.

The Prize Wheel coming to a complete stop with indicator arrow pointing to a labeled section on the wheel and the video display recording the official prize/symbol for each spin.

Client must assure that the video camera is properly functioning; failure to conform to this requirement will cause a claim to be denied.
