

CASH CUBE Official Rules

Promotional Period: September 17 & October 1, 2022

Method of Entry: Between 8am-8pm, all members can get one virtual entry per base point earned into drawings at 2pm, 4pm, 6pm & 8pm. Members must have played in the hour prior to each drawing time to be eligible. Drawing entries do not roll over to subsequent drawing dates.

At each drawing time, a winner will be selected using the Virtual Drawing function of Oasis 360. Each winner must be present within three minutes of initial winner announcement, otherwise a new winner will be picked until a present winner is found.

Each winner will get to spend 20 seconds in the cash cube, collecting as many bills as possible. At the end of the 20 seconds, all bills that are placed in the collection box will be added up and the amount paid out in cash.

Prizes: Cash

Restrictions: Participants cannot grab bills that are on the ground or use their clothing to collect bills. Any bills not placed into the collection box at the end of the time allotted will not be counted.

If the Virtual Drawing function cannot be used, winners will be selecting using a Random Number Generator.

If a guest participates and gets less than \$75, the prize will be rounded up to \$75 cash. If a guest does not wish to participate they can choose to receive \$50 cash instead. Guests can nominate someone to go in the cash cube in their place, provided that the alternate is available immediately.

Offer may be altered or canceled at property discretion.
