

DECADES Official Rules

Promotional Period: November 4, 11, 18 & 25, 2023

Method of Entry: All members can get one entry for each base point earned from 8am-9pm. Entries do not roll over to subsequent drawing dates. Drawings will take place hourly from 6p-9p and two winners will be chosen at each drawing time.

Drawings:

Nov. 4 Make a Deal: Winner will receive an envelope (or similar) and they will reveal the prize inside. They can then choose to keep that prize amount or pick one of three curtains and keep the new prize revealed. Two prizes per member per week.

Nov. 4 Make a Deal Digit: After each drawing a marketing associate will spin two small wheels with the numbers "0" to "9" and announce the two-digit number. Any member who has their last two card numbers equal to the announced number can go to the Lucky North Club and receive \$25 Free Play. One per member per hour.

Nov. 11 Punchboard: Each winner will pick a spot on the punchboard to reveal their prize. The board will start with 20 spots and will decrease by one for each winner who picks a prize (i.e., winner 2 has 19 spots to choose from, winner 3 has 18 spots, etc.). Two per member per week.

Nov. 18 Wheel Spin: Each winner will spin the wheel and receive the cash prize revealed. Two per member per week.

Nov. 25 Covenant or No Covenant: Each winner will choose from a board with 10 decals displayed. They pick the decal they want but will not be able to reveal the prize. They can choose to take that prize, or they can pick another decal which will have the prize revealed. They can then choose whether they want the first decal they picked (mystery prize) or the second one. If they don't want the second they can pick one more decal and reveal that prize. They can then choose whether they want the first decal or the third decal. If they choose the first decal the prize is then revealed, and they get that prize. Two prizes per member per week.
